

January 1, 1973

LB 436, 407A, 693 - 705,
457

is incorporated into the bill of requiring reporting. We'll know who uses it, the type of use and the nature of the users, whether they are judges, county attorneys, or public defenders. We'll have a measuring rod by which to judge. I think that the administration of the criminal justice system is such a fundamental responsibility of the Legislature that this expenditure of money is justified. I think we ought to enact this bill, let the program work for a year, and at that point we can begin to make evaluations and judgments based on information which even I, as the introducer, don't have at this point. I think the questions raised by everybody have been valid. I still ask, though, that you advance the bill.

PRESIDENT: That is the motion. Record your vote. Please vote. Record.

CLERK: 27 ayes, 2 nays, Mr. President.

PRESIDENT: The bill is advanced. Mr. Clerk.

CLERK: Mr. President, I have a series of new bills. Read title to LB 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705 and 407A. Mr. President, Senator Barnett asks unanimous consent to print amendments to LB 457 in the Legislative Journal.

PRESIDENT: Senator Marvel.

SENATOR MARVEL: I move that we adjourn until Monday at 9:30.

PRESIDENT: Senator Maresh's committee on Labor is at 9 o'clock Monday also, here in the Chamber. The question is shall we be adjourned until 9:30 Monday. All in favor say aye. Contrary say nay. The ayes have it. We are adjourned.
